MEET MONEY WITHOUT BORDERS

Our dream is for people to live and work anywhere seamlessly. That means money without borders: moving it instantly, transparently, conveniently, and — eventually — for free.

The Wise account is the universal way for you to manage money internationally. It's made for the world. And it's built to save your money and time, so you can do more of the things you love.

[Learn about our mission](#)

Believe in an open world

The world is richer when money has no borders.
Your ideas fuel the Mission Roadmap that's getting
us there — tell us what you want to see.

Disappoint thieves

Every month, our customers trust us to move around £9 billion of their money. Here are some of the important ways we protect them.

[How we keep your money safe](#)

Our dedicated fraud and security teams work to keep your money safe

We use 2-factor authentication to protect your account

We hold your money with established financial institutions
